Head Team Parent Report

Hi Parents,
Thank you for your help in cleaning up the sidelines at the end of practice. This effort from everyone makes it easier for us all to go home!
Please remember to volunteer when your team parents and business managers send the volunteer sheets around. This organization can't be successful without everyone's help. Certification is on Monday the 24th of August. Please make every effort to have your player at the fields that night. Each player must be certified before they can play the first game. Picture make-ups will be done next week, but we are not sure of the date yet since the pep rally date was changed. We will get this information to your head team parents as soon as we have confirmed with the photographer.
Thursday, August 27th is the Pep Rally from 6-8pm. There is no cheer or football practice that night. Your team parent will give you more specific information this weekend.
If you have any questions, please feel free to contact us.

Our Annual Coaches/Board Golf Tournament was held this past Sunday, under oppressive conditions at Eagle Vale Golf club. The winning score of "9 (+/-) under" was posted by the team Captained by our President Harry Engert. Longest Drive was powered by Dave Marshall and the closest to the pin sharp-shooter was Todd McAvoy. Thanks to all who participated!
